

KAPPA FOUNDATION OF COLUMBIA FACTS

HISTORY

The Kappa Foundation of Columbia, SC was established on April 5, 2013. The foundation is committed to supporting educational opportunities for students through scholarships and organizes an annual golf tournament to raise funds. By providing financial assistance and fostering community engagement, the Kappa Foundation strives to positively impact the lives of individuals and the local community.

MISSION

The Kappa Foundation of Columbia was established with a mission to raise funds to support:

1. Promoting activities and scholarships designed to enable the youth in our community to reach their full potential and become successful, productive citizens.
2. Promote and support community-based organizations, programs, and activities designed to enhance the lives of needy individuals within the South Carolina Midlands geographical region.

EDUCATION

The foundation efforts to support an initiative on education by assisting with the education demands of our public-school students and college-bound youth in our community. Particularly those students who are in economically disadvantaged environments.

COMMUNITY INVOLVEMENT

The foundation supports initiatives on community involvement by working with other organizations to develop collaborative partnerships and implement evidence-based actions that support the improvement of our community.
